I sent it to them. They will check it out on Monday and see if they can collect it. We may have to make arrangements for the cars parked there but we'll see when we get there.

Good afternoon, Sarah,

Happy Saturday! I hope you're doing well.

I wanted to keep you in the loop with this current dumping taking place on half of this block: [10259 Tujunga Canyon Blvd](#). I noticed it on my community drive this afternoon, and was pretty concerned about it. It seems as if the block has more trash debris of mattress, chairs, and house items.

I set a '311' Service Request that is the following: **Service Request # 1-1608190361**. I figured it would be important to share and see IF there is anything you can do in case 311 cannot.

Thank you for your patience and guidance on every issue I have at hand! You're awesome. Looking forward to hearing from you!

Much Gratitude,  
Delilah Shahbazian
